

# Agile Transformation Pitfalls

**1. Plan? What Plan?:**  
Excuse for Not Planning.

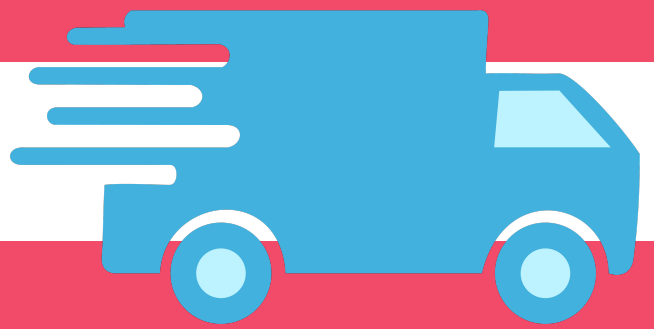

**2. Drip Drop The Waterfall Won't Stop:**  
Unable to Shift from Waterfall Practices.

**3. No Assembly Required:**  
Delivering Parts Over Products.

**4. Hot Potato:**  
Handoffs Over Collaboration.

**5. This Isn't What I Ordered:**  
Result Differs from the Need.

**6. Whispering Into the Wind:**  
Scattering Info Vs Intentional Communication.

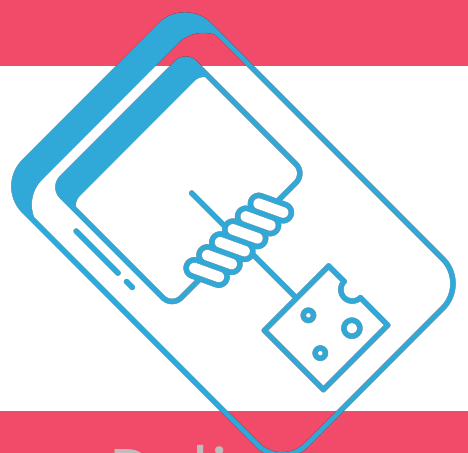

**7. No Time to Do Right:**  
Just Wrong Over and Over.

**8. Now You're Speaking My Language:**  
New Ideas But Same Behavior & Results.

**9. Building A Mousetrap To Catch A Fly:**  
Over-engineering A Misguided Solution.
